

Registration Suggestions:

Please contact our receptionist and arrange an appointment to register your child during the summer months, if you have not selected to transfer your child before the ending of school year. While we will accommodate you at any time during the school day from 8:00 am to 3:30 pm, scheduling an appointment will expedite the process and enable us to serve you quickly. The registration process should take about 30 minutes.

The School Board shall comply with all Federal Laws and regulations prohibiting discrimination and all requirements and regulations of the U.S. Department of Education. The Board will enforce its prohibition against discrimination/ harassment based on sex, race, color, ethnic or national origin, religion, marital status, disability, age, political beliefs, sexual orientation, gender, gender identification, social and family background, linguistic preference, pregnancy, and any other basis prohibited by law. The Board shall maintain an educational and work environment free from all forms of discrimination/harassment, which includes Title IX of the Education Amendments of 1972. Title IC prohibits sexual harassment and other sexual misconduct such as unwelcome touching, graphic verbal comments, sexual jokes, slurs, gestures or pictures. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of prohibited discrimination or harassment against students by employees, other students and their parents or guardians, or third parties. This policy prohibits discrimination and harassment at all School District operations, programs, and activities on school property, or at another location if it occurs during an activity sponsored by the Board.

Educational Philosophy:

Throughout their time in middle school, students experience a great deal of intellectual, emotional, and social changes that present challenges. At Glades we approach each student as an individual with unique strengths and opportunities for improvement. It is the goal of the Glades community to encourage students to perform to their maximum potential, exhibit school pride, be an informed advocate of their own education, and be better prepared for their high school and post-secondary school experiences. We hope you become involved in the total school program and take advantage of the extracurricular activities Glades has to offer you.

Mission Statement:

Glades Middle School is committed to a comprehensive and inclusive learning environment to provide educational excellence for all.

Vision Statement:

Glades Middle School's mission is to empower students with the highest quality education so all of our students are provided with lifelong learning skills to become successful in leading productive, responsible and fulfilling lives as a member of society.

Glades Middle School provides educational services to 6th through 8th grade level, with a total enrollment of 1150.

Critical Thinking Skills—Office Aides

Visual Arts Program at Glades led by Catherine Rivera will help your child to develop the creative part of his or her brain through drawing, painting, printmaking, commercial design, sculpture, stained glass, basketry, ceramics, textile design and metalsmithing. Students will learn about the history of world cultures and learn to express themselves through various media, while developing organizational skills, concentration, patience, creative problem solving, self confidence, self discipline, responsibility, dedication, long term memory, perseverance, and team work. All of these skills are transferable to the academic arena and ,even more importantly, to life.
