

## Summer 2025: Overview

Optional, Curated i-Ready Lessons for Rising 1st–8th Graders

### What's Available This Summer?

Miami-Dade County Public Schools is offering **optional, self-paced i-Ready Math and Reading lessons** for students entering grades 1–8 in the 2025–2026 school year.

- **10 Reading Lessons**
- **10 Math Lessons**

⚙️ These lessons are **strategically selected** to reinforce skills that students learned during the previous school year and help students prepare for the next grade level. Once completed, no additional lessons will be assigned. If a student does not pass the first attempt at a lesson, i-Ready will automatically reassign the lesson for a second attempt.

*Note: Students enrolled in the 3rd Grade Summer Reading Camp and ESOL students in grades 6–8 attending the Smart Start Teen – Newcomer Language Camp will receive a separate set of i-Ready Reading lessons. Those programs will provide guidance directly to participating students and families.*

### Important Dates

- **June 6 – June 8, 2025:** i-Ready will not display any lessons while My Path and teacher-assigned lessons from the 2024–2025 school year are cleared, and the curated summer lessons are added.
